

Enrollment Form

The Green Preschool in Kailua accepts applications year round. Completing enrollment forms and visiting the school with your child are part of the application process. Your child will also have a complimentary day at school before formally enrolling.

Enrollment is complete when the application form, \$100.00 registration fee and \$150.00 supply and craft fee and first month's tuition, are received by the school. Tuition is paid in monthly increments. It is due the first day of each month and is based on your child's schedule: the number of days per week that your child attends school. **See tuition schedule.**

School hours are from 8:30 am to 3:00 pm. School days are Monday through Friday. Parents may choose to have their child attend school 3, 4 or 5 days a week. Once a child's schedule is decided upon, it will not change for the duration the school semester. (see end of this form)

Children receive a large, organic, freshly prepared snack at 11:00 am. Parents provide lunch for their children. Children may leave school before 3:00 pm but early pick-up does not affect tuition.

Children must have an extra set of clothes and two extra pairs of underwear at school, in their cubby at all times.

For more details about school policies, please read Policies & Procedures.
